

Volunteer Spotlight:

Raghib Q. – Regent Park Soccer League Program Coordinator

Raghib Q., is a hard-working and motivated volunteer who is in his 3rd year volunteering with Toronto Youth Development. A senior student at Jarvis Collegiate looks to attend Western University in the fall of 2017. Raghib initially came to TYD in grade 9, looking for volunteer experience and leadership development within our Regent Park Soccer League program. Punctual and prompt, Raghib attended the weekly league practices and games, providing assistance to the coaches, as well as using his organizational skills for administrative support. His willingness to help – combined with a strong sense of initiative – was recognized for its value, with Raghib eventually being given the responsibilities of Program Coordinator.

Currently, Raghib Q. assists in the Regent Park Soccer League attendance, as well as the player and parent database, providing valuable off-field support. Oftentimes, positions situated behind-the-scenes are not given the proper amount of credit though the work is as crucial and necessary as on-field effort. It is for this reason that Toronto Youth Development would like to highlight Raghib's dutiful work as a volunteer. Thank you Raghib!
